

5-26-99

Dear DR Henney

I am writing to you as
an FDA Commissioner

to tell you that I strongly

support the complete
withdrawal of the use

of antibiotics in
animal feed. It's time to
stop catering to the economic
demands of agribusiness
and start looking out
for the health of the
American public.

Yours respectfully,

Ruth M. Hull, 123 Summer St.
Acton, MA 01720
